letter of thanks

Dear Sichuan Zhongxin General Electric Power Co., Ltd.:

We sincerely appreciate your strong support and full cooperation in the Yichuan Minghan 35 kV substation project. Throughout its implementation, the power equipment supplied by your company demonstrated stable performance and reliable quality; your technical team was professional and efficient; and on-site services were provided promptly, effectively ensuring both construction progress and operational safety. Your conscientious, responsible, and collaborative approach has deeply impressed us.

We sincerely appreciate your company's trust and support. We are highly satisfied with this collaboration and look forward to maintaining a long-term, friendly partnership as we jointly undertake more high-quality projects.
